The screenshot displays the CarParts.com website interface. At the top, there is a navigation bar with the CarParts.com logo, a search bar, and links for 'Retrieve quote' and 'Track order'. Below the navigation bar, a shipping location dropdown shows 'La Salle, 61301'. A horizontal menu lists various car parts categories: Auto Body Parts & Mirrors, Headlights & Lighting, Engine & Drivetrain, Brakes, Suspension & Steering, Interior, Exterior, Tools & Garage, and Wheels & Tires. A shipping update banner for Hurricane Ida is also present.

The main content area is divided into two columns. The left column contains the 'Sign in' form, which includes fields for Email Address and Password, a 'SHOW' button for the password, a 'Forgot Password?' link, and a reCAPTCHA verification box. Below the sign-in form is a 'Track Order' section with a 'VIEW ORDER STATUS' button. The right column contains the 'Create an Account' form, which includes fields for First Name, Last Name, Email Address, Re-enter Email Address, Password (with a 'SHOW' button), and Confirm Password (with a 'SHOW' button). It also features a reCAPTCHA verification box and a 'CREATE A NEW ACCOUNT' button. At the bottom of the right column, there is a disclaimer: 'By Creating an account, you agree to CarParts.com's Conditions of Use and Privacy Notice'.
